Summary information

Repository:	Oregon Wine History Archive
Title:	The Amity Vineyards Collection
Reference code:	2012-01-01/1
Date:	1966-2011 (creation)
Physical description:	114 linear feet.
Language:	English
Language:	Latin

Scope and content

This collection contains a unique comprehensive representation of the evolution of Amity Vineyards and the history of the Oregon wine industry. The collection encompasses the day-to-day functionalities of Amity Vineyards, including business correspondence, marketing strategies, laboratory information and personal memorabilia. In addition to focusing on Amity Vineyard's 40-year evolution, this collection also encompasses the unique perspective on the development of the Oregon wine industry through various publications, documentation of various Oregon wine organizations, as well as through local, regional and international wine events hosted by or featuring various Oregon wineries.

Notes

Physical condition

Access is by appointment only. Please contact the archivist to make an appointment.

Note [Sources]

LCSH

Note [General]

This collection is comprised of documents and artifacts covering Amity Vineyards and winery information. This includes vineyard and harvest records, business documentation, representative material from various wine-affiliated organizations, published books, newspapers, magazine articles and research papers. The collection provides researchers with a wide representation of the Oregon wine industry in addition to documentation and published works regarding wineries and vineyard owners from around the world. Digital items selected to highlight the collection are available here: https://digitalcommons.linfield.edu/owha_amity/. Collection items available in the digital repository can include documents, photographs and/or oral history interviews.
